

# 2017 National Jamboree Band

June 24, 2017

Dear Band.....,

There will several emails in the next two weeks. so check your email.

I hope everyone saw the list of **'Musical Things That You Will Need' in my last Directors Update.**

I have **posted tunes** to the band website. Director Update page.

Please print these, learn them and put them into your flip folder before you arrive. We have a possible gig on Day 2. Americans We should go in your binder with National Emblem and Stars and Stripes Forever.

Some of the tunes are more difficult and you'll need to work on them hard before you get to the Summit. Stars and Stripes, National Emblem, Americans We, Carmen, Sweet Home Chicago, Crazy in Love. The pep band tunes are generally easier and sometimes there is only one part. We have another 15 tunes to distribute at the Jamboree but this will get you started.

In sections where part assignments were necessary, they are listed below. They are based on your recommendations, experience, and needs of the band. We have an extremely talented band. In some sections everyone would be qualified to play first part. I did my best to make a strong band and put you where you are needed.

## **Attention Trumpeters**

Everyone should prepare....To the Colors, Taps for possible Headquarters flag raising ceremonies.

## **Percussion Parts will be posted in a day or two**

I am getting excited.... 3 weeks to go.... Mr. Pinchock
